

New Richmond
United Methodist Church
April 2021
Vol. 49 No. 4

Thursday, April 1 - Holy Thursday

Friday, April 2 - Good Friday

Sunday, April 4 - Easter Sunday

Online worship services will be available on our YouTube channel.

Holy Thursday and Food Friday - 7:00pm

Easter Sunday - 9:00am

In-person worship option tentatively to begin on Sunday, May 2

With the good news of safe and effective vaccines, as well as having met our benchmark of the positivity rate of COVID-19 being below 5% in both St. Croix County and Wisconsin for many weeks, your Church Council again met Tuesday March 16, 2021 to plan for offering an in-person worship option. May 2 was chosen as the date because we expect to be able to live-stream worship by then with faster internet being installed in this next month, as well as have a sense of how the virus variants vs. vaccinations and immunity are going. May 2 was felt to be the best combination of “doing no harm” and “doing good” for worshipping in person together.

Your Worship Design Team has already drafted a plan for a safe in-person worship option, following public health recommendations for gatherings during the pandemic. These guidelines will be in effect when we first gather, and will be phased out as we reach higher levels of vaccination and immunity.

Even when we begin offering an in-person worship option, we will still offer online worship, which will be a live-stream version of our in-person worship, a printed sermon option, and our “Sermon by Phone” option.

I would like to thank the Church Council for their thoughtful and prayerful work as we navigate these times together, especially their great example of civil and creative discussion. As always, please don’t hesitate to be in touch if you need something or have questions. Be well!

Peace,
Pastor Jeremy

Celebrate our Confirmands

Sunday, April 11

Confirmation Sunday is coming to our YouTube Channel! God willing, each of our three confirmands will say 'yes' to a renewed relationship with God through Christ for our Sunday worship experience on April 11.

Over the past year, they have been studying with an adult mentor from the congregation, learning about a variety of topics, such as God, Jesus, Baptism, and United Methodist Beliefs and History. We even had a class to talk about science and religion, which led to great questions and discussion!

Confirmation is a program for youth, usually in the 9th grade year. Confirmation means that a youth gets to *confirm* their baptism. They get to say 'yes' to the promises their parents made on their behalf when baptized as a baby. Alternatively, if a youth is not yet baptized, it is also a chance to prepare for baptism.

I am very proud of the confirmands who have spent Wednesday evenings here, especially with the restrictions the pandemic required for us to have a safe experience. Each of them, I believe, is learning more about what it means to be a person of faith, and I am very grateful for the time and ministry of their wonderful mentors who have helped each of these students grow:

*Nathan Devereux, son of Denise Devereux and Mark Devereux
Mentored by Julie Eickhoff*

*Gage Fox, son of Tim & Jill Fox
Mentored by Mark Dolezal*

*Matthew Westmoreland, son of Andy & Laura Westmoreland
Mentored by Maybelle Hall*

*Nathan Westmoreland, son of Andy & Laura Westmoreland
Mentored by Pat Davis*

You can show your support for their journey by viewing their confirmation worship service, or by congratulating them with cards. And as we celebrate their confirmation, let us also remember to take time to renew our own commitment to Christ and the Church, each growing in faith, love, and service.

Peace,
Pastor Jeremy

*Congratulations
Confirmands!*

- WORSHIP AT NEW RICHMOND UMC -

Pastor Jeremy and Heather Boorman, our Family Ministry Coordinator, continue to share their Sunday sermons and children's messages on our church's YouTube channel, available each Sunday morning at 9am.

To find us online, go to www.YouTube.com and search "New Richmond United Methodist Church" and our channel will appear in the results. It will show you every service/video that's been uploaded since we began doing this in March 2020. Not only can you watch these sermons on your mobile device, but most smart TV's with internet have access to YouTube. This link is also shared on our Facebook page and in our weekly all-church emails. Please make sure to SUBSCRIBE to our channel and it will let you know when new videos are posted.

Listen to our worship services over the phone!

From the comforts of your home, you can listen to the audio from our weekly worship service by calling **1-715-203-0212** from any phone. You will be able to listen to everything, from Pastor Jeremy's sermons, to special readings from other church members, to hymns and other music. We are very excited about this!

Each Saturday evening/Sunday morning, the new Sunday service will be added and will remain available until the following week's is uploaded, since we can only have one recorded service on the phone service at a time, once the new one is added, the previous week's is erased. Please contact Kristi in the office, 715-246-2464, if you have any questions.

Opportunities to Help in Worship

You may have seen that we are trying to include more people in creating the online worship experiences little by little. If you would be interested in video recording yourself reading scripture, offering a story about how God is working in your life, playing music, or some other worshipful activity, please contact Jill Thomas at jillthomas@nwcomm.net or 715-246-2878, or Pastor Jeremy at 651-783-2433 or pastorjdeaner@gmail.com.

Piece Corps Quilting Group

3rd Thursday each month at
9:30am in fellowship hall

The UMC Piece Corps is a group of volunteers from church that make beautiful quilts from mostly donated materials. They donate the finished quilts to various non-profits, like Westfields Hospital for bereavement quilts and to The Salvation Army Grace Place shelter for their residents.

Our Community Outreach Committee focuses on helping local organizations. Some need help from time, and some we donate to year-round. All donations we made on behalf of the church are made possible by your continued support, and we thank you for that!

During the 1st Quarter of 2021, our committee donated:

- \$150 - Five Loaves Food Shelf (we donate \$50/month year round)
- \$300 - Grace Place (we donate \$100/month year round)
- \$90 - New Richmond Fire Department for Fire Training in NR schools

If you have any questions about the committee, please feel free to talk with either of our co-chairs, Nancy Refsnider or Barb Vander Wyst.

"SOUPER" BOWL UPDATE

Thank you to everyone who contributed to our annual "Souper" Bowl of Caring food drive. Each year, we collect non-perishable food and household items for Five Loaves Food Shelf, as well as monetary donations for Five Loaves. This usually takes place in the weeks leading up to the NFL's Super Bowl Sunday, as a way to bring awareness to the on-going hunger issues in our country. This year, we didn't want to let Covid to get in the way of helping our community, so we decided to continue our tradition and extended the collection through the entire month of February. Thank you all SO much! -Kristi

- 2021 TOTALS -

Family Fresh Receipts

Thank you to everyone who has collected, sorted, folded, counted, bundled, and delivered Direct you Dollar receipts from Family Fresh!

Spartan/Nash (Family Fresh) has generously issued checks for \$1,000 every time we reached the 150,000 points goal 6 times, and we are well on our way to #7! We team up with Five Loaves Food Shelf and combine our receipts. Once we collect \$150,000 in receipts and receive \$1,000 from Family Fresh, we split it 50/50 with Five Loaves.

The money we receive goes toward camp scholarships for youth in our congregation and their friends. We are happy to tell you the camps are planning to open this year!

WHERE TO BRING YOUR RECEIPTS-

There are collection baskets for receipts at Five Loaves Food Shelf, Two Fish Thrift Store, and at the exit door at Family Fresh. You are also welcome to leave them in the mailbox at church under the carport or bring them into church when Kristi is in the office. Thank you all again!

Legacy Fund Gives Back to New Ministry

Last year, just before the pandemic hit, the Endowment Committee, Finance Committee and Church Council consolidated two of our funds at the Wisconsin United Methodist Foundation to create the Legacy Fund. The Legacy Fund is an endowment fund intended for people to donate estate gifts that can leave a legacy by giving back perpetually to ministry. (If you need information about putting New Richmond UMC in your will, talk to Pastor Jeremy or call the United Methodist Foundation). Currently it is set up to annually give back 50% of growth to help fund new ministries, which right now are happening through our program ministries and staff. Think about Brunch Church, Vacation Bible School in the Park, and now YouTube worship. Think about what new ministries we could do in the future, too! If our needs change, the distribution can change, too, by vote of the above committees. The fund did very well last year, so this year \$9,684.17 was given back to support new ministry.

Weekly Wednesday Open Zoom gathering is open to everyone!

***Resumes Wednesday, April 14**

Pastor Jeremy is going to continue the open Zoom time "gathering" for anyone who wants to join in for conversation. It will be Wednesday mornings at 10:30am and will be an hour long. It begins with "Morning Prayer" from the United Methodist Hymnal, a way for us to worship together in real time, including time for prayer, scripture, and song. Open Zoom means you are welcome to come and go as you please. Look for the invitation link in the NR UMC Weekly News email that Kristi sends out on Tuesdays.

Audio/Visual Project in memory of Harlan Vehrs

Harlan Vehrs would be proud that we used part of his estate gift to help people see and hear worship better! We have installed a camera system in the sanctuary that allows us to record and live-stream worship. It also allows people to watch worship from other locations in the church: the parlor, the nursery, and the fellowship hall.

Once we are back offering an in-person worship option, that worship experience will be live-streamed to our YouTube channel to continue our online presence. Also, if we have more people wanting to come to worship than the 50 that can fit in the sanctuary socially-distanced, we can have some overflow seating in the parlor and/or fellowship hall.

Looking forward to more 'normal times', the nursery feed allows us to have parents engage with worship even while their little ones play and listen. And the fellowship hall feed allows for anyone downstairs (preparing a meal for a funeral, for example) to be aware of and participate in what is happening in the sanctuary.

Thank you to Harlan, in memory, and to his family for making this important project happen.

Summaries from March 2021

Reader: Kay Brooks

Book & Author: Everyone's Son by Thrity Umigar

I finished one of the best books I've ever read. It is called Everyone's Son, by Thrity Umnigar. It tackles multiple issues in a great story. I love the characters and their relationships. It made me consider how I think about so many things in my life and in the times we are living in. The author keeps the reader going to the point that I had trouble putting it down. I highly recommend it!

Reader: Ruth Egerer

Book & Author: Nomadland by Jessica Bruder

The author enters into the lives of "homeless" seniors for a 3-year period and recounts what their daily lives look like following the Great Recession, as they travel around the U.S. in search of seasonal work. What she recounted was an eye-opener for me because I had no idea about this U.S. subculture. Recently having been made into a movie by the same name, Frances McDormand, already critically acclaimed for her role, is joined by other actors and real nomads.

Reader: Kay Peterson

Book & Author: The Soul of a Woman by Isabel Allende

What feeds the soul of a woman? To be safe, to be valued, to live in peace to have their own resources, to be connected, to have control over their bodies and lives, and above all, to be loved, for women world-wide, we have more work to do. I enjoyed the book.

Abundance of Stimulus?

The American Rescue Plan's \$1400 stimulus checks are arriving soon to qualified individuals. For some, they can't come soon enough. For others, there is a desire to donate some or all to help people. Here are some options if you are looking for ways to donate some or all of your stimulus money. I will be tithing out of mine to the General Budget to help make sure we as a church can open strongly in the near future! You can give directly to organizations below or through the church with the organization clearly designated and we can get your donation where it needs to go.

Peace,
Pastor Jeremy

GRACE PLACE – Help people in poverty through this time with a donation to Grace Place/The Salvation Army, a homeless shelter located right here in New Richmond.
<https://centralusa.salvationarmy.org/graceplace/>

FIVE LOAVES FOOD SHELF – People are in need of food, and feeding people is a great way to help during these times. <https://www.5loavesfoodandclothing.org/>

THE UNITED WAY ST. CROIX VALLEY – Dial 2-1-1 for 24/7/365 help is a great program for people who need help these days, supported through donations to The United Way.

OPERATION HELP – Operation Help, like Dial 2-1-1, is a direct help organization based in Hudson to help families through difficult times like these. <https://operationhelpstcroix.org/>

THE NR UMC GOOD SAMARITAN FUND – Our Good Samaritan Fund is a discretionary fund for people who are in need, usually offering direct help to persons or families at Pastor Jeremy's discretion. <https://www.newrichmondwiumc.org/>

THE NR UMC OUTREACH COMMITTEE – Your Outreach Committee is active and has recently donated to the Gap Fund, a fund at the schools to “fill in the gaps” for students in need, as well as donated to fund milk breaks and lunch milk for schoolchildren and fire safety training for New Richmond and Somerset schools. <https://www.newrichmondwiumc.org/>

NEW RICHMOND UNITED METHODIST CHURCH GENERAL FUND – Help the church be in a good position to open strongly in the near future and continue our mission of *building bridges to discipleship by connecting, growing and serving*. <https://www.newrichmondwiumc.org/>

These are only some suggestions of community and church-related giving options. Your gifts to any of the above or the organization of your choice will help people through this difficult time!

SPOTLIGHT ON STEWARDSHIP

We are calling this year's stewardship focus *Give the Future*. We don't know what the future looks like, but we know that as a church we want to help create a healthy, just, peaceful world, and we want the church to be a place where we can learn to help make that happen, whether we can gather yet or not. In order to continue to change lives in this way, your gifts are more important than ever. Thank you for your gifts and for giving of your selves as we ***Give the Future*** together!

GIVING OPTIONS

To continue to support the church's mission and ministry during this time, we have a few options for you. Please contact Kristi Rogers in the church office with ANY questions.

Please contact Kristi if you are interested in giving to the church in either of these ways.

"Nueva Vida" by Bishop Hee-Soo Jung

March 29, 2021

So if you have been raised with Christ, seek the things that are above, where Christ is, seated at the right hand of God. Set your minds on things that are above, not on things that are on earth, for you have died, and your life is hidden with Christ in God. When Christ who is your life is revealed, then you also will be revealed with him in glory. (Colossians 3:1-4)

I heard a story recently that added a new dimension to my thinking about Easter. A couple took the risk during the pandemic to have their baby girl baptized. The couple were immigrants to this country from Mexico, where they had struggled in poverty, and over the past decade had lost two children to miscarriage and two children to infant mortality. Coming to the United States, they both found work and much improved health care, and they were finally able to give birth to a strong, healthy girl – Nueva Vida Gonzalez, in English, New Life Gonzalez!

In the church, we casually turn the phrase, “out of death, new life.” We annually commemorate the trial, torture, crucifixion, death, and resurrection of Jesus the Christ, but without the full awe and wonder at its miraculous meaning. For the Gonzalez family, Nueva Vida must be the source of greatest joy, greatest hope, greatest relief, and greatest miracle they have ever known. In our own Christian tradition, the hope of new life, new possibility, new potential, came to earth wrapped in the package of a tiny child. The bridge from Christmas to Easter is a short one. All the potential and possibility of God came to earth in human form, lived and taught and healed and led, was unjustly accused and condemned and was brutally put to death. But that did not end the potential and the possibility, because the power of God is greater than every earthly barrier and constraint. Death itself was conquered and Jesus – Messiah and Savior and Redeemer – returned to life, nueva vida.

Recent news across this country has been heart-breaking. Mass shootings in Atlanta, California, Oregon, Texas, Pennsylvania, and Colorado in one seven-day period leaving more than twenty people dead. A one-year-old in Pittsburgh, killed by wild crossfire that pierced a wall, striking him in his crib. In Wisconsin in 2020, we had 10 mass shootings that killed 11 people and wounded 42. Across the country, law enforcement officers faithfully carrying out their sworn duty to “protect and serve,” put their lives on the line, and in the incident in Boulder, Eric Talley, lost his. The January 6 attack on our nation’s capital showed how vulnerable our police and peace officers can be.

Death is all around us. It is part of our lives, but so much death is not “natural” but “caused” and “forced” and “tragic.” This is the truth of the world, but it is not God’s truth. God’s truth is life over death, triumph over tragedy, and hope over despair. As God’s Easter people, we choose life, and we choose to promote life in every way possible. We celebrate new life – new life in Christ and new life in and for the world.

Easter people are a people of joy, not sorrow. We are a people of redemption from tragedy. We are a people of hope in the face of overwhelming loss. We do not give the final word to destruction and violence and hostility. God is our final word, and God is love. From the depths of the shadows of Good Friday’s cross and the utter darkness of the Saturday in between it and Easter, we emerge as champions of life and security and the health and well-being of all.

One of our Ten Commandments is “you shall not take life” (often translated as “kill,” or less accurately, “murder”) because we should never take away that which God has given. To destroy any creation is to despise the creator. What we do to each other is what we do to Jesus the Christ (see Matthew 25). To destroy the life that God has given is to reject the Holy Spirit. For Easter people, it is not enough to shake our heads in sadness when we hear of killings and to pray about the situation. We are the people of new life – nueva vida – and we are charged to be peacemakers and peace-builders and peace-keepers. To work for peace is to act against violence and killing and harm.

My beautiful and beloved Wisconsin people let us celebrate life and celebrate it abundantly. Let us never take for granted safety and security, for ourselves, for our children, for our communities, and for our world. Let us choose life and recommit to do no harm and to do all the good we can. And let us work for peace, for the peace Jesus promises and that only God can give. A peace that passes all human understanding, and that has the power to transform this world and give nueva vida to all. Thanks be to God.
